ACTION UPDATE FROM NOTICE

This item was noticed at the January 2002 Commission meeting; the Commission indicated that sponsors should only present amendments for action in February if the projects are crucial in nature. The sponsor should be present to address any concerns from the Commission. The number of AC Transit buses impacted by the retrofitting was added to this amendment.

SUMMARY

This amendment programs \$601,000 in FY 2001-02 from Alameda County's Unprogrammed Share Balance towards a total project cost of \$679,000 for retrofitting wheelchair fasteners on 336 Alameda Contra Costa Transit District buses.

RECOMMENDATION

The Metropolitan Transportation Commission (MTC) and the Alameda County Congestion Management Agency (ACCMA) are requesting this amendment. The Department has reviewed the amendment and found it to be consistent with the Commission adopted STIP guidelines.

BACKGROUND

This amendment programs \$601,000 in FY 2001-02 from Alameda County's Unprogrammed Share Balance towards a total project cost of \$679,000 for retrofitting wheelchair fasteners on 336 Alameda Contra Costa Transit District buses.

This project will retrofit wheelchair securements on AC Transit District buses used in fixed route services. The planned retrofit will provide a safer and easier use of securement to address issues raised by AC Transit's Accessibility Advisory Committee.
